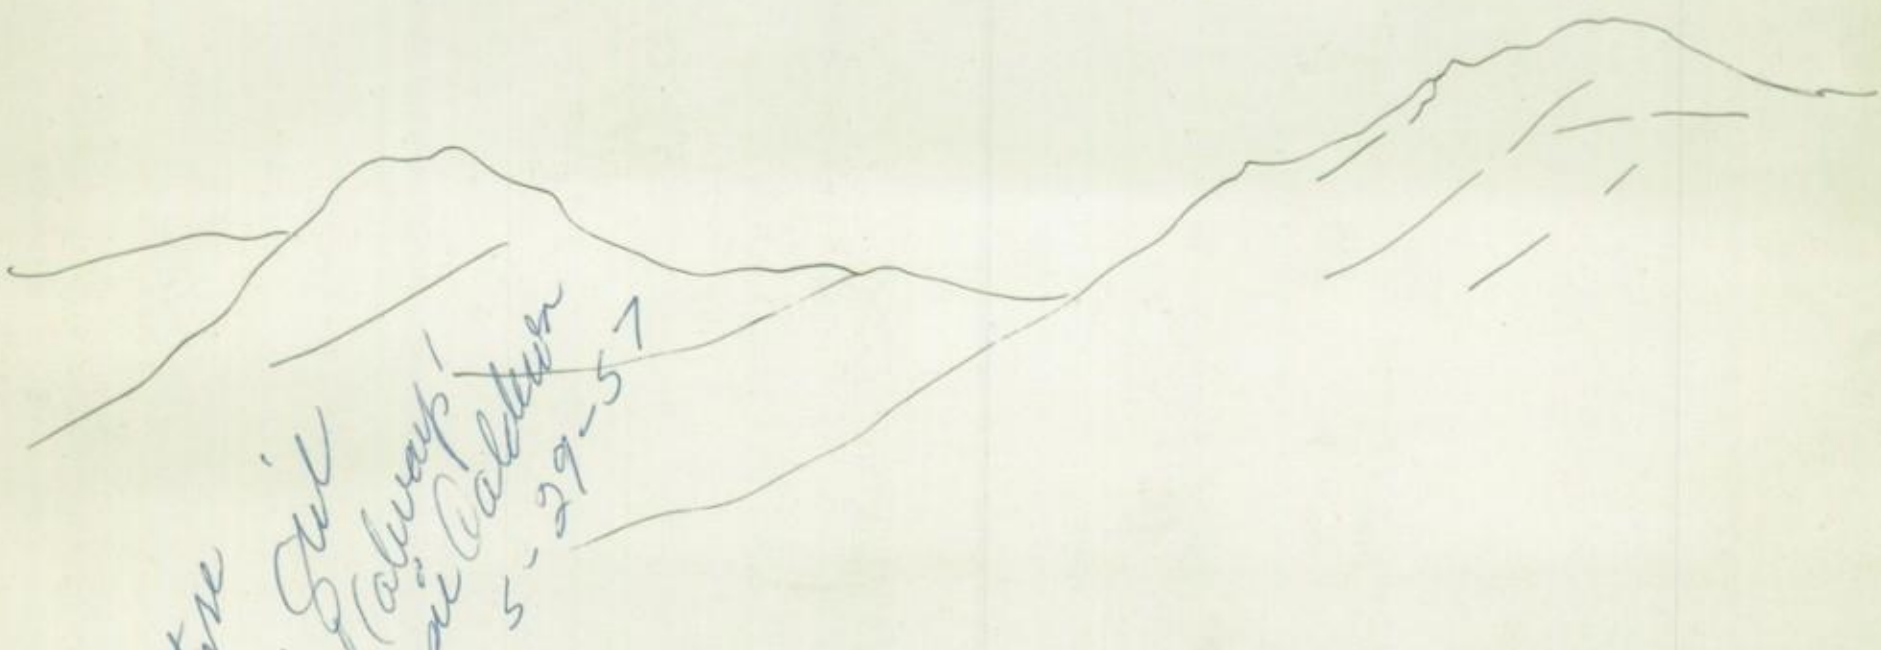
FOREWORD



The setting for this year's Tucsonian is the desert west—unreal, silent, awesome and grand. It is a fit setting for a book reflecting a great student body.

The students have made this year a memorable one for the Tucsonian staff. We enjoyed compiling the information on your activities, teachers, and many friends. So now we are returning this year bound, the way you found it, like treasure in the desert.

The landscape around Tucson, as seen from a great height, is almost featureless, except for the mountains. We hope that you, when looking down through the years, will know this year as a high spot, and that this 1957 Tucsonian will be a landmark to be remembered.

Dear Norma,
Jimmy Gant the experience
since the good. You are
Champion and winning
since mind you. Remember
you must be sweet
but be sweet.

STUDENT GOVERNMENT

Tucson High's main governing body, the Student Council, could be found three times a week in the Student Government room, working at bettering our school.

Members on Student Council this year consisted of John Welch, president; Emma Gee, vice-president; Bev Tipton and Selma Carrillo, secretaries; Barbara Payne, treasurer; and six members elected from each class. Due to a new amendment of the THS constitution class presidents were also given a council seat this year.

Home Room Representatives, another part of Student Government, were presided over by Emma Gee, and attended by a member of each home room. Sponsor of Student Council this year was Mr. Hunt, and Mr. Cawley advised the Home Room Representatives.

STUDENT COUNCIL

This year the THS Student Council spent a busy season planning many successful projects. Included in these activities were the out of town game at Mesa during the football season, a downtown rally for the Badger Backers before the North Phoenix game, a Clean Up Week in cooperation with Catalina November 6-12, and many interesting assemblies. Another big hit with everyone was the THS Amphi Rival Romp, also sponsored by our governing body.

This organization functioned mainly to make THS the outstanding school that it is.

TRADITIONS COMMITTEE

Were you made acquainted with the Traditions Committee? You may have well been, if you committed any misdemeanor in the past school year which brought you before its members.

The Traditions Committee, which is the Judicial branch of the THS Student Government, met twice a week during fifth period to judge those students who did not abide by the rules. Presiding over the group this year was George McLain, chief justice.

Junior Justices

Chief Justice, George McLain; Court Recorder, Dee Stigers, Clerk, Joey Miller; Baliff, Sandy Danziger; Advisor, John O'Neill

Each Spring two justices are elected from each class. For the past two semesters they were: Jim Cooper and D. L. Secrist, seniors; Mary Stewart and Dick Dow, juniors; Judith Wilder and Betty Gee, Sohpomores; and Ester Bustamante and Bobby Gee, freshman.

Dee Stigers was elected to the position of court recorder. The office of clerk was filled by Joey Miller and Sandy Danziger acted as baliff.

Mr. John D. O'Niel capably advised the group this year.

The 1957 Graduation Class was headed by Lou Crowder, president; Mike James, vice-president; Christine Polson, secretary-treasurer, and Doug Dunipace, business manager.

A great deal of credit must be given to the councilmen: Sandy Aldinger, Diane Austin, Bob Benton, Sharon Burke, Pat Cajero, Bill Collette, Connie Collins, Charles Downs, Sam Dukes, Tony Felix, Jim Fox, Ernie Frick, Joyce Holden, Barbara Kalil, Doug Knox, Frank Manarino, Kay O'Reilly, Dennis Osburn, Barbara Payne, Linda Reasor, Al Rivera, Richard Rosebrock, Kenneth Ross, Joyce Russell, Nancy Sanders, Gregg Scott, Sylvia Smith, Edith Stein, Margie Taylor, Leon Titche, Carolyn Trott. Doug Turner, Eva Wells, and Susan Chambers.

The class received excellent guidance and support furnished by advisor Danny Romero.

The varied activities of the Senior class proved to be as successful as ever. Heading the list was Senior Day at the U. of A. in November. Darlene Robart represented T.H.S. as our Senior princess. An enthusiastic crowd attended the Senior Prom held in December where South Pacific scenes decorated the cafeteria.

The Senior Follies of 1957 presented in April featured the talents of many of the senior class members. Baccalaureate and graduation concluded the year's activities.

Juniors

The Junior Class of 1956-57, sponsored by Mr. Ernest Mariscal, was headed by Erik O'Dowd, president; assisted by Mary Levy, vice president; and Sonya Frampton, secretary-teasurer.

Justices were Richard Dow and Mary Stuart.

Councilmen: Gwynne Barthels, Bernadine Crenshaw, Carol Fredenburg, Lynn Moon, Jane Wise and Jeannie Woon.

The main Junior event was the Junior-Senior Prom which was held in March.

Another Junior function this year was the sponsership of Activity Books. A red and white thermometer kept the whole student body up to date on sales.

The Juniors also sent a bus-load to the West Phoenix game in November for one of the best games of the season.

TUCSONIAN QUEEN

DARLENE ROBART

—Lynn Sanders

Reigning over this year's Tucsonian is pretty Darlene Robart. Darlene, who is well known for her beautiful singing voice and acting ability, has starred in many Dramatic Arts and Opera Lab productions.

While not working on the above activities Darlene could be found in National Honor Society, Secretary of National Thespian Society, Secretary of Honor Service Society, THS Balladeers and THS Double Mixed Quartet.

After graduation our lovely Tucsonian Queen plans to attend the U. of A. Major in Elementray Education and minor in Music.

Here's hoping that she'll have the best of luck in anything she may do.

—*Lynn Sanders*

EDITH SAYRE

Pretty Edith Sayre indeed enjoyed a busy senior year. Her many activities included managing editor of the Cactus Chronicle, president of the International Club, secretary of National Honor Society, treasurer of Press Club, Girls League, secretary of Sunshine Modeling Club, Writers Club, Honor Service Society, Executive Council and representative to the Student Employment Bureau. Edith could also be found laboring over her weekly school page column for the Arizona Daily Star. Last year she acted as a junior guard, and was one of those who represented THS at Girl's State.

Cheerful Leanne Homme could be found displaying her peppy personality as a songleader throughout the season. She filled up the rest of her spare time with such activities as Girls' League, Tuc-Hi, Senior Prom Committee, and Senior Follies Committee. Also Leanne acted as Secretary for the Home Room Representatives, of which she was a member.

LEANNE HOMME

—*Lynn Sanders*

Being head songleader took up just about all of Bobbi Meier's time this year. She also managed to find time to squeeze in other activities including National Honor Society, Girls' League, and Tucsonian Typing Staff.

BOBBIE MEIER

—Lynn Sanders

GAYE GARRETT

—Lynn Sanders

Charming blond Gaye Garrett could be found this year showing overwhelming enthusiasm as a songleader this past season. She also participated actively in Student Council, Sunshine Modeling Club, National Honor Society, and Girls' Social Hour.

RODEO QUEEN

—*Lynn Sanders*

DEE STIGERS

Our Rodeo Queen, Dee Stigers, spent an active year as Court Recorder in the Judicial branch of our student government. This sparkling brunette also found time for Girls' Social Hour Committee of Girls' League, Tuc-Hi, Chronicle typing staff, and President of the Sunshine Climate Modeling Club. Good luck to Dee and her four attendants.

Pretty Judy Query was a very busy Senior this year as editor of the Tucsonian Typing Staff, a Sunshine model, a songleader, and member of the National Honor Society as her major activities. Asol she was on the Girls' Social Hour Committee of Girls' League, and a member of the Senior Trip Committee.

—Lynn Sanders

JUDY QUERY

Talented Gretchen Mensch devoted her Senior year mostly to the music making here at THS. She made first chair clarinet in the All State Band and attended the Western Music Educators National Conference in Pasadena, California. This cute redhead also found time to be president of the "Hi Cats" Secretary and Librarian of the THS Band, a member of National Honor Society, on the Senior Cabinet, and on the Chronicle and Quarterly Writing Staff.

—Lynn Sanders

GRETCHEN MENSCH

Dark-eyed Selma Carrillo has enjoyed a very busy Senior year here at THS with student body secretary at the top of her list of activities. Besides this, she has worked hard on the Senior Cabinet and in Girls' League.

SELMA CARRILLO

ATTENDANTS

Peppy Barbara Payne not only helped to boost the school spirit with her songleading, but also spent the year looking after the student body funds in her role as student body treasurer. Included in her other activities were Sunshine Modeling Club and Girls' Social Hour.

—*Lynn Sanders*

WELCOME

Hilde Laursen

EXCHANGE STUDENTS

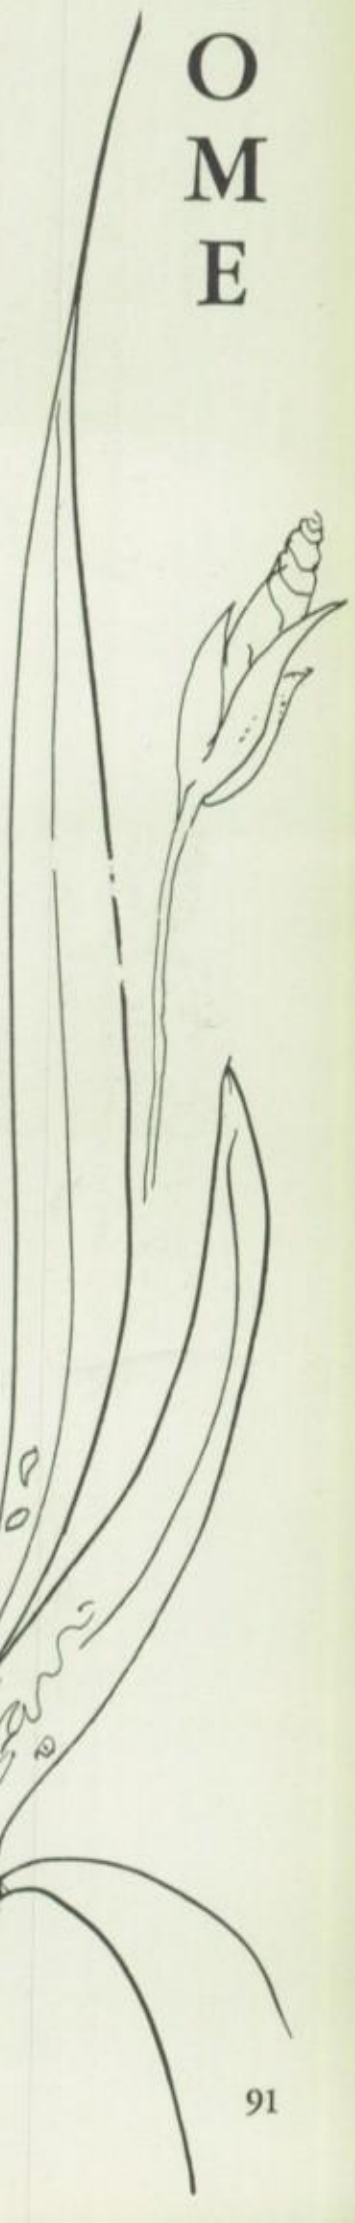
We were indeed favored this year to have in our midst, here at Tucson High, a charming senior named Hilde Laursen.

Hilde who claims Copenhagen, Denmark as her home is attending school here under the American Field Service Program. Being a top honor student is perhaps one of the reasons why Hilde plans to make language teaching her career. She is fantastically well qualified for such a position as she is well versed in Danish, Norwegian, Swedish, Latin, Greek, French, English, and German.

In her spare time Hilde enjoys such hobbies as sewing, ceramics, music, and photography.

Last summer Emma Gee, and Cal Kaylor were fortunate to be selected by the American Field Service to represent THS in a foreign land. Emma was student body vice-president this year, and Cal filled the position of Tucsonian editor.

Hats off to the American Field Service Program and all the good they do in promoting international friendships.



SENIOR PROM

Johnny Postilion decides to do away with Danny while Terry Muse hangs paper. Jerry Lederer, as usual, is so shy he wishes not to be seen.

On the evening of December 8th, members of the Senior class, their guests and friends embarked on a "Caribbean Cruise." By entering the THS cafeteria, everyone was imediately transported to a blossoming, tropical wonderland.

If anyone there had been able to pull himself out of the trance-like atmosphere he would have seen that the Caribbean setting was really the THS cafeteria gorgeously decorated from floor to ceiling in red, green, orange, brown, yellow, blue, and gold. In the center of the room was an Arbor entwined with blossoms, while the bandstand also abloom with flowers was occupied by Jack Reid's Orchestra who swung everyone into a tropical mood with their music.

The rainbow of decorations was enriched by the brilliant colors worn by the seniors themselves. Confetti and ribon streamers added to the fun, along with noise-makers and balloons.

Senior class advisor, Danny Romero, through careful planning and supervising, and with the help of the Senior Cabinet and Council and many other seniors, made the evening a memorable one for all those who attended.

The Senior Prom of the class of 1957 will be long remembered as a tradition for fine dances at THS.

The Senior Class officers, Lou Crowder, Mike James, Kay Kirton and Doug Dunipace lead the Grand March.

"I wish you'd get off my toe."

Doug Dunipace, Ronald Kreus, and Doug Druliner prove they are really on the ball.

JUNIOR PROM

Midst crepe paper and laughter, work is completed on the Prom.

On the night of March Thirtieth, the class of '58 made way for the Junior Prom.

The THS Cafeteria decorated with American Beauty Rose, Pink, and Gold revealed the theme and colors for their title of "Springtime Serenade."

The ceiling decorated with elaborate golden mobiles and pink roses made the cafeteria sparkle with all its very many pretty roses.

Junior Class Advisor, Mr. Ernest H. Mariscal, and other committees went through much planning on decorations, colors and theme to make this year's Junior Prom the best ever.

Chairmen for the big event were: Gwynne Barthels, decorations; Sonya Frampton, invitations; Fred DiLorenzo, music; Judp Brainard, programs; Georgi Ann Ganz, refreshments; and Eric O'Dowd, clean-up.

This year's BADGER FOOTBALL TEAM was one of the finest this school has seen in a long time. With the new football coaches, John Mallamo, Bill Lovin and Ralph Bailey, the 1956 BADGER FOOTBALL TEAM unofficially had a 4 - 4 - 2 record but due to the ineligibility of a transfer tackle, the season wound up with a 0 - 9 - 1 record.

In a different aspect, this year's BADGER team was backed by an almost matchless school spirit and the team reflected this spirit i ntheir play, knocking off the two top teams in the state in two consecutive weeks.

The BADGER team as a whole and individualy received many awards this year. As a team, the BADGERS were considered the most deceptive team in Tucson, including college teams. Individualy the team had many outstanding players like: Art Acosta, who made first team All-State; Sam Dukes, Marshall Darris, Don Box, and Terry Muse, who made either one of the All-State teams or All-City team or both. Also D. L. Secrist won the 1956 Thom McAn football trophy for his leadership, competitive spirit, sportsmanship and team play.

The 1956 football season got off to a good start as the BADGERS defeated the Bisbee Pumas 12 to 6, ending a string of 23 victories fo rthe Pumas. In this game Art Acosta provided the offensive punch backed up by splendid line play.

On the following week-end the BADGERS faced their first real test as they tangled with the North Phoenix Mustangs. The BADGERS held for three quarters but in the fourth the Mustangs began a goal line trot . . . final score N. P. 20, BADGERS 13.

The BADGER victory drive continued as they met the Salpointe Lancers. Art Acosta and D. L. Secrist doubled their running power to give the BADGERS a 42 to 6 win. Don Box also shined in the quarterback's slot deceiving the Lancers with slight of hand artistry.

The fourth game in the season was against a surprising team from Globe. Although Acosta and Secrist gained ground it didn't seem to help as the BADGERS went down to defeat 13 to 7.

The out of town game was held in Mesa this year. Secrist scored the only touchdown that theBADGERS could muster; score Mesa 31, Tucson 7.

Next week found the BADGERS at Phoenix Union. The first half was a see-saw affair with the Coyotes coming out on top with a score of 12 to 6. But with the starting of drinking "Cokes" at half time the BADGERS took the field and took the game in the last half by the score of 26 to 12. It was in the third quarter that Secrist suffered three broken bones in his foot and was on the bench for the rest of the season.

Then the BADGERS went on to more victory as they triumphed over the West Phoenix Thunderbirds 21 to 14. After that the game, the next two contests were tise; 20 to 20 against Yuma and 33 to 33 with St. Mary's.

With the coming of the "Turkey Day Game" with Amphi all of the past season was forgotten and all of the school spirit and excitement completely overshadowed the losses and said points of the season, as al studnets know that this rivalry shows to be the best game of the season. But there was no joy in BADGERVILLE as the BADGERS went down to defeat 27 to 7.

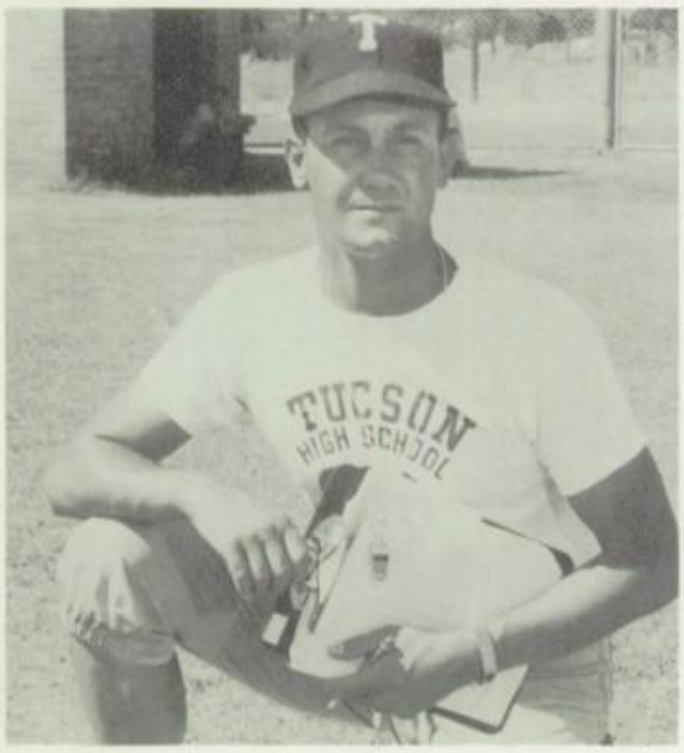
Junior Varsity



Harry Smith
Coach

The Junior Varsity Football team played 7 games this year, with only one of them at home. An eighth game with Salpointe was cancelled.

Mr. Harry Smith was the coach, and Mike Lariva the manager. Thirty-three boys made the team, which was composed entirely of sophomores and juniors only.

Last year, the State Junior championship was won by the Mesa JV's, who were undefeated for a string of approximately fifty games.

Cubs

The THS Cubs, coached by Virgil Stan and Tony Roda, enjoyed a successful season, winning five games while losing one.

The Cubs won their first game, what Coaches Stan and Roda consider as the "big one", trouncing the Amphi frosh 35-6. Gene Jackson proved to be a big threat to Amphi as he romped for three touchdowns and gained 127 yards rushing. Robin Thomas scored on a punt return of 65 yards and Dennis Couse returned an intercepted pass for 35 yards. Benny Ramos hiked five consecutive extra points.

The following week the Cubs made it two in a row by hanging a defeat on the Catalina frosh 14-0.

The Sunnyside frosh pitted their undefeated team against the Cubs the next week, one ly to go down in defeat 13-0. The game was hard-fought but the Cubs playing heads up ball utilized two Sunnyside mistakes for their scores. Hector Pesqueira, picked up a Sunnyside fumble and scampered 60 yards for a score, Ramos converting.

The Pueblo frosh handed the Cubs their only loss. Playing their worst game the Cubs could never seem to put together a scoring punch. Their lone TD was made by Tony Amado on an off-tackle jaunt of ten yards. The finish score: Pueblo 12 Cubs 6.

The Badger Basketball Squad began its season on December 8th by losing to St. Mary's 54 to 50, but this defeat was not long in being avenged; one week later the cagers pinned the West Phoenix Thunderbirds 50 to 44 and one week after that the Trojans 57 to 55. During the Christmas vacation the Badgers leveled the Warriors from Pueblo 54 to 53. Later in the season Tucson tromped both Catalina and Pueblo again ,this time 53 to 50 and 50 to 40 respectively. On February 15th at the out-of-town game at St. Mary's the Badgers piled on the steam to run over the Knights 58 to 53, and then on the next evening in Badger Gym they scalped the Nogales Apaches 61 to 53. The final season record showed that the Badgers won 11 and lost 7.

FRESHMAN BASKETBALL

Those who attended the Frosh Basketball games were not disappointed. Once again the true BADGER spirit was shown both on the floor and in the stands. Under the coaching of Ralph Smith the Cubbies proved to be a threat to all opponents. This is the BADGER team in year to come.

Lee Carey
Coach

The Badgers Baseball Team was looking for its fourth straight State championship under the coaching of Lee Carey. Tucson met such teams as Yuma, Mesa, Camelback, U. of A. Frosh, West Phoenix, Nogales, North Phoenix, South Mountain, and all of the local high schools: Pueblo; Catalina; Amphi; and Salpointe.

Noticeable this year were the night games that were held on the South Campbell Avenue field. After the rapid installation of the lights during the first semester the Badgers enjoyed five games under the lights. This lighting addition has made the South Campbell Avenue field one of the most valuable in the State.

Senior-Junior

The BADGER TRACK SQUAD looked forward to a mediocre season as Coach deBruin stated he lacked field event men. Last season's loss of more than the average number of lettermen through graduation lost potential in many events including pole vaulting, sprinters and weight men.

The weight men were under the direction of Coach Ortiz. Mr. Ortiz said that things were looking up in the middle of the season and next year there would be a good chance that the BADGER TRACK SQUAD would take most of the teams in the State in weights.

This year there was no distinction between varsity and junior varsity as in previous years; the reason being that many sophomores and freshmen were running varsity, and also that many other schools in the State do not support a junior varsity team. Therefore the pictures of the different groups are divided as to classes.

The Badger Cross-Country Team, under the coaching of Hank deBruin, led a very successful season although they only placed fourth this year at the State Meet. The season got off to a good start as the harriers took three wins in a row over West Phoenix, Phoenix Union and Pueblo. Then came a list of losses to Catalina, Salpointe, and Phoenix Union.

Pacesetters this year for the Badgers were Jim Stanford, Keith Runion, Charles Solis, Lloyd Eaker, and Ronnie Gaiser. These five led the team this year over the two miles of grueling road.

Sporting a fine season this year was our girl's tennis team, under the direction of their mentor, June Holcombe. The team, composed of Joanne Sears, Christine Polson, Carolyn Frakes, Karen O'Brien, and Sharon Burke, faced matches against such top teams as Catalina, North Phoenix, West Phoenix, Phoenix Union, Yuma, and Mesa. Highlighting the team's season was University Week, held on the U. of A. campus.

Miss Holcombe had quite a problem to cope with this year, as she had only two returning players on the squad. But this handicap was overcome beautifully, as proved by the excellent showing the team gave this season. This problem will be met again next year, as graduation took away Christine, Carolyn, and Sharon. But gazing into the crystal ball we see a dazzling future in store for next year's squad, as underclassmen that showed possibilities, started practicing during second semester. These girls will be around next year to assist the two returning "veterans" on the team.

Mr. Blubaugh came to Tucson this year from Oklahoma, where he was National Collegiate Wrestling Champion in his class for three consecutive years. In 1952 he was a reserve member of the United States Olympic Team. Three seniors helped the team on to victories this year; they were: Jim Pinson, Al Kreutz and Arbel Westerfield.

Under the coaching of Mr. William Westervelt, the Tucson Badger Gymnastic squad had a very successful season winning over Catalina, West Phoenix, and Pueblo.

Gymnastics is divided into many different specialties. On the parallel bars Nick Nuttycomb and Sam Holland shined. Bouncing around on the trampoline this year was Manny Molina. In the free exercise event both Sam Hollanw and Lamar Bently stole the show, while Lamar Bently also scored in the tumbling exhibitions. Gary Foster was the man on the flying trapeze or high bars.

Badger backers were surprised to learn as they attended the matches this year that gymnastics can be so very interesting. Many more attended the matches this year and found that school spirit was present always both in competition and with the spectators in the stands.

Each team had eight members whose scores were all totaled to give the final score. Four positions are used and 50 possible points may be earned in each.

THS

Cheerleaders

The Cub Cheerleaders during the year 1956-57 were left to right: Gene Rosenthal; Esther Bustamante; Patty Dunlap; Joyce Mercier; Maureen McKeever; and Mary Sayre. They were always seen at the Cub and Junior Varsity sporting contests cheering the teams on to victory.

CHEERLEADERS . . . Varsity and Cubs alike . . . were always there at the home and most of the away sporting events to stir the fires that molded the best school spirit in the State . . . BADGER spirit. The Cheerleaders' job is not only that of causing the rafters to ring when we make a touchdown or basket but it also entails the quieting of our over-enthusiastic spirit when it gets beyond a certain point.

The Varsity Cheerleaders this year (as pictured on the opposite page) were: Judy Christensen; Georgi Ganz; Edna McKeever; Susie Mercier; Patti Stith; Joey Miller; Judy Turner; and Head Cheerleader was Jane Wise. They really had their hands full with 3800 of the most spirited BADGERS ever to matriculate at one time. School Spirit is the best thing that can happen to a school and when there are such able leaders then it is worth even more. Hats off to the Cheerleaders, who work hard to shoulder some of the responsibility of School Spirit, may we learn from them to work well as a team.

T Club

Under the direction of John Mallamo, the BADGER LETTERMEN CLUB tucked a wonderful year under its belt. Mr. Mallamo along with the new officers completely reorganized the "T" CLUB from the ground up. Old basic traditions were retained but some of the unorthodox rites and ceremonies were done away with. Also all the dead weight of the organization was dropped from the rolls, and enforcements ac to the corect wearing of letter sweaters and letters were initiated. The "T" CLUB also sponsored the BADGER BALL in January that met with great success.

To give you this final remembrance of your 1956-1957 school year at THS, the many members of the Tucsonian Staffs have lived in constant bustle and activity.

A detailed record of school life such as this requires much careful work, a great deal of thought and patience, and a desire to present you with a history both complete and accurate all coupled with a deep and steadfast loyalty to THS.

Since the beginning of school, the editors and their staffs with the welcome advice of Mr. Flake, have been compiling material, collaborating in a hundred different ways to make this the best yearbook possible.

The Photography Staff has mised no opportunity to record exactly the events you witnessed and took part in.

Ads were sold by salesmen working largely on their own time. They were arranged by the Ad Layout Staff.

Our Sports Staff handled the many exciting sports events ably, and the Activities Staff was hard put to keep up with the many club activities in which the student body participated.

Correlating all the class pictures went to the Clases Editor and staff. Busy preparing those last minute candids, roalty pictures, and proms went to the Student Life Editor and staff.

All this, the fun of working with great people, the unending activity in the Tucsonian Office, and the careful plotting and planning went to create this, your 1957 Tucsonian .

In its 38th year as the official newspaper of THS, the Cactus Chronicle found itself with nearly an all-female staff. As well as having the first female Editor-in-Chief since 1919, the editorial staff had only five boys out of 15 of its members.

A great job was done this year by Linda Reasor, Editor-in-Chief and her many assistant editors. They put out an interesting and instructive paper — one any school would be more than proud to copy.

An editorial page policy was firmly established this year, and, due to the loss of the distribution and exchange editor, two new editors were appointed to bring about a new streamlined method of managing each department.

Behind the professionally done paper, however, the typing staff labored long to ready the many stories for the printer. The Photography department did more than their share by recording school life at almost every place. Ad selling this year proved more successful than ever as Tucson merchants realized the power of the newspaper.

Along with general news, the Cactus Chronicle contained an excellent sports section, an informative editorial page, and good coverage of school functions.

Miss Martin, adviser, constantly guided and helped everyone indeed, to make the Chronicle a paper as the tradition of newspapers.

Mr. R. Walker

Quarterly, Tucson High's school magazine, has brought students of THS best issues THS has to offer for 18 years now.

Started as an English project, it has become one of the most important school publications in the city. In the past the Quarterly has won the two highest honors in the U. S. for a school journalism project: The Medalist from Columbia University, and The All American from the University of Mnnesota.

Students do practically everything on this magazine. Sports are summarized, stories and poems by the students published. It is printed at THS. Our photography section takes and and develops the pictures.

The editorial board decides policy, and the Editor-in-Chief and assistant editors judicially fit together the material furnished by the different staffs.

Miss Harriette Martin was the adviser. She gave much time to help us in any way she could. Mr. Walker and Mr. Chidester were Art and Graphic Art Advisers, and Mr. Goldstein was Photography Adviser.

NATIONAL HONOR SOCIETY

The National Honor Society was composed of the top ten to fifteen percent of the Junior and Senior classes.

The counselor in charge was Miss Frances Smith. All the teachers of the upper class students, were asked to submit a list of names of those students whom they thought were qualified to become members. From this a selection was made by all the teachers. They judged upon the students leadership, scholarship, service, and character.

The members of the National Honor Society maintained a tutoring service for those students who needed coaching in various subjects. For the first ten hours there was no charge, after that there was a small fee.

This year our Tucson High Chapter of the National Honor Society initiated the Pueblo High School Chapter. There were also three initiations held here at Tucson High. They were held this year in January, April, and May, followed by initiation of those chosen. In May, Juniors were admitted and then they elected officers for the next school year.

This year's officers were: D. L. Secrist, president; Doug Dunipace, vice-president; Edith Sayre, secretary and Gail Kershner, publicity manager.

HONOR SERVICE SOCIETY

OFFICERS

Left to Right: Joyce Goldwyn, President; Diane Austin, Vice-President; Darlene Robart, Secretary.

SPONSOR

Calanthe Brazleton

In spite of the double sessions, National Honor Society conducted a successful year. Joyce Goldwyn, president; Diana Austin, vice-president; and Darlene Robart, secretary proved to be excellent leaders. The officers combined with the executive committee, which included Bev Brooks, Peggy Samide, Jay Barton, Janet Connelly, Ann McGreggor, Rosemarie Rogers, and Henry Martone, planned the year's activities. Miss Calanthe Brazelton advised the organization.

They altered the award system somewhat. The mastermembership certificate had been given to a member after one hundred hours service. The certificate was replaced by a pocket-size card.

Members of the Society held their meetings once a month and initiated new members who were willing to strive to attain its goal. These candidates and members accomplished a great many hours of work. They were quite helpful toward assisting the management of our school.

Everyone agreed, however, that it wasn't all work and no play. Many enjoyed the pleasure received from sacrificing their own time in order to help others. Also an annual dinner was slated on December third.

In addition to the many rewards and knowledge, their advisor felt the year was a successful one for the National Honor Service Society.

BAND

Perhaps the busiest and most well known organization of Tucson High School was the Band. It consisted of 110 members. The band made between 45 and 50 public appearances.

The band helped make the football season a huge success. The sparkling half-time shows put on at the home games with the assistance of the songleaders and twirlers were probably the best known activity of the band. Also the Band helped to promote school spirit by playing at the two pep rallies.

This year marching in the Veterans Day Parade and the Rodeo Parade were some of the community services performed by the Band.

Tucson High gained national recognition when the Band presented two benefit performances at Hermosillo and Navajoa, Mexico.

Highlights of the band this year were: Senior Day at the University of Arizona on November 3, where the Band was given superior rating, the Lion's Club Concert on December 13, Kiwanis Concert, December 14, the formal band Concert on March 27, the California Western Conference in Pasadena in the spring, performance at the Southern Arizona and State Music Festivals, the graduation exercises and Baccalaureate Services.

Director of the THS Band was Mr. Paul L. Grimes. The officers for this school year were: Allyn Kubiske, president; Jerry Tee, Drum Major; Doug Dunipace, Business Manager; Gretchen Mensch, Secretary; Ed Shupp, Librarian; Martin Zytowski, Uniform manager; Jeanette Misick, Office Secretary; and David Perlman announced for the football games.

HI CATS

ADVISER
Mr. W. Webb

If you were among those present at such activities as the social hour dances, the Junior Prom, the Sophomore Dance, the Graduation Dance, one of the school assemblies, some of the junior high school programs, or one of the Elks programs, you are well familiarized with THS's own professional swing band, the Hi-Cats. Members of this organization have their eyes on extending their many activities to include out of town trips.

Under the very competent direction of Wayne Webb, the Hi-Cats have completed another eventful year. Mr. Webb, might very well be classified as a celebrity, as he has played with such name bands as Guy Lombardo, Horace Heidt, Russ Morgan, and Lenny Hayton.

Serving as president this year was Gretchen Mensch; Olivia Gallardo was secretary; Dick Gabriel, business manager; Doug Dunipace and Gerry Wesson, librarians; and Jerry Tee was student director. Terry Anderson and Gerry Wesson did the vocalizing for the group.

Ever since the beginning of their organization, around two decades ago, Hi-Cats participants have witnessed very successful and sparkling years.

Tucson High's Orchestra has completed a busy and successful year under the direction of Mr. Bjorlie.

The Orchestra contained six offices. To fulfill these offices members of the Orchestra elected Barbara Kessler, president; Pat Cosand, vice-president; Charlotte Field, secretary; Neala Yde, and Pat Hooe, librarians; and Bruce Colell, business manager and also student director.

On December 5th, the Orchestra presented a concert for the student body of Tucson High in three asemblies. Assemblies also were presented to the students of Roskruge Junior High in January and to students of Spring Junior High in March. The Orchestra was well received and enjoyed by all three schools.

The big event of the year, their annual Concert, was held in the Tucson High School Auditorium March 1. The concert, enjoyed by all featured many highlights. One was the popular selection "Autumn Leaves" arranged by Reed. A piano solo, "Dream of Olwen" was played by Jill Gersten. Bruce Colell directed the "Syncopated Clock" by Leroy Anderson, and Roderic Sharrette directed the very descriptive piece "Toy Train." "Show Boat' climaxed the program.

The beautiful orchestration of "Finneans' Rainbow" which was presented in April, was contributed by the orchestra. They helped present the production in co-operation with the Vocal, Dance, and Drama Departments.

Rodriguez, F. Federico, A. Nagtalon, A. Taylor, E. McCormick, T. Bishop.

Under the direction of Mr. Robert Hutchinson, the Balladeers have completed another very busy year of music making for Tucson and the community.

Among many activities during the year at the various Junior High schools in the city, they presented assemblies and were well received. They also made television appearances and radio recordings.

The Double Mixed Quartet sang for different service clubs during the year such as the KIWANIS CLUB and the LION'S CLUB. Their schedule included many professional meetings, too.

The Balladeers received a great honor when the Double Mixed Quartet was invited to Pasadena for the California—Western Music Educators Meeting.

The Balladeers were extra busy preparing for all their Christmas activities. Not only did they carol all the downtown stores, but they sang by the nativity scene in the courtyard of the courthouse. They also helped present the Christmas Program at Tucson High. As a conclusion they gave a Christmas Concert which was broadcast on radio throughout New Mexico and Tennessee.

The next big event for the Balladeers was truly a wonderful success. They in cooperation with the Drama, Dance, and Instrumental Departments sang in the humorous musical satire production, "Finian's Rainbow" which was presented in April. Hit songs included were "How Are Things in Clocca Morra?" "Old Devil Moon," "Necessity," "If This Isn't Love," and "Look to the Rainbow."

After "Finian's Rainbow" had been presented, they prepared for another large event. On May Fourth, they sang in the Southern Arizona Musical Festival.

OPERA LABORATORY

Opera Lab. once again proved to be an enormous success, because of the co-operation the drama, vocal, dance, and orchestra departments showed as they worked together. Opera Lab was organized last year with the purpose of giving its members a better understanding of the Fine Arts and was also formed with the purpose of blending together the talents of the various groups to present full scale productions.

In early April the group presented its big hit, a musical satire "Finians Rainbow," by Fred Saidy, E. Y. Harburg and composer Burton Lane. The Opera Lab's excellent performance was under the direction of Robert B. Hutchison, musical director and Lloyd Roberts, stage director.

The Broadway musical comedy-fantasy featured such hit songs as, "How Are Things in Glocca Morra," "Old Devil Moon," "Necessity," and "If This Isn't Love." The sets and costumes which came from Hollywood added to it greatly. Everyone enjoyed this production although a lot of hard work was involved for those in the cast and crew. But rewards came when many said this year's production was the best, thus giving the reward of satisfaction, knowing they helped make Opera-Lab a success for another year.

DIRECTORS

DRAMA

"Young April"

Two of our busiest men at THS are Mr. Lloyd Roberts director of the advanced drama class, and Mr. Jack Frakes, head of the beginning classes.

Throughout the year they were busy plotting and planning, designing sets, costumes, worrying about production costs, and coaching the actors to bring you the excellent plays you enjoyed.

The schedule started with "Young April," a breezy comedy by Aurania and William S. Riveral, on October 31 through November 3. "The Emperor's Nightengale" by Don Thotheroh was presented next, sponsored by the Catalina Women's Club. During November 28, 29, and 30, it was shown to over 10,000 school children for the benefit of the school health council. The mystery satire 'The Crime at Blosoms" by Mordaunt Sharp was presented on December 5 through 8. The beginning drama classes also presented "You Can't Take It With You," by Kaufman and Hart in March. The Pulitzer Prize winning comedy was a great success with everyone.

"The Emperor's Nightengale"

On April 10, 11, 12, and 13 the musical comedy-fantasy "Finnian's Rainbow" was produced by the Opera Laboratory, a combination of the vocal, dramatic, and dance departments of THS. The show was a climax of all the talent THS could produce. Hollywood sets and New York costumes toped the tremendous success of the 1947 Broadway hit.

The last play of the season was given May 1, 2, 3, and 4. The series of one-acts was very well received, as it has been in other years.

And so the THS dramatics season ended. The many people who made up the light, props, wardrobe, sound effect and stage crews have gone their own ways. But their efforts, combined with the stage manger's, the assistant directors's, the actor's and the director's made the 1956-1957 one of the most brilliant years theatrically THS has ever had.

ADVISER

Mr. L. Roberts

One of the highest honors a drama student may receive is to achieve membership in National Thespian Society. The Thespians are dedicated to help produce plays and to help advance dramatic arts.

The Troupe No. 425 was under the leadership of Mr. Lloyd Roberts, adviser; Mike Berkson, president; Harmon Weiner, vice-president; Darlene Robart, secretary; and Barbara Gardner, treasurer.

Although regular meetings weren't scheduled members did meet during the semesters in order to conduct business and initiate new members.

Each "apprentice Thespian" worked on several productions and earned points for contriuting to the productions in order to become a candidate. About fifty drama students were members of Troups No. 425.

The Thespians worked together on a production presented to the general public and student body. It was one of the highlights of the year.

The year's activities added greatly toward the accomplishment of National Thespian Society's goal.

STAGECRAFT

There aren't many people who really appreciate the work done behind the scenes by the Stagecraft and Design class.

This class, taught by Mr. Roberts, builds the scenery and is responsible for the operation and maintenance of all lighting. From this class come the crews, or at least the nucleus for the crews, for all the dramatic productions.

There were fifteen in this year's class, but the demand for workers were so great that it planned to add another class next year.

Productions on which the Stagecraft class worked were: "Young April," "Crime at Blossoms," and the "Emperor's Nightingale." Also "You Can't Take It With You," and the opera "Finians Rainbow."

Their last project for the year was the Thespian Society's production in May. Sixty percent or more of the work is done outside of class. Students are graded on the amount of work done and also they can gain points for National Thespian Society membership.

ADVISER
Mr. Broyles

This year the Tucson High Radio Bureau produced eight regular programs and many specialties. Through the assistance and guidance of Mr. Glenwood Broyles, the bureau completed its fifth successful year of programming.

All phases of radio and television are studied in this course. The students are well prepared for future vocations in this and related fields. All writing, editing, producing, and reporting is done by students. The Bureau's busy schedule of special programs began in November with eight half hour television shows produced for American Education Week. Soon after followed the Third Annual Christmas show featuring holiday music by the Balladeers. New Year's Eve brought a dramatized documentary on the top seven news stories concluding 1956.

Local radio stations cooperated to bring weekly news and music from THS. Tunes and Tidbits featured music and news three times a week over KVOA. Saturday morning KVOA also gave us a quarter hour of school news. Saturday noons KEVT presented a ten minute sports-cast in Spanish followed by a bilingual disk jockey show both produced and reported by Bureau students. At one o'clock on Cyril's Prize Platters over KOPO, Bill Sadler told us of the week's happenings around Tucson High. Our three top tunes of the week as well as news also came on Saturday over KCNA.

All major sports events were presented under the direction of Johnny Lim, co-production manager of the Bureau. An informative military series was designed to give High School boys a complete picture of draft requirements and fulfillment of military obligations. The Bureau also wrote and produced a series giving the public a view of Arizona's colorful history.

A portable tape recorder helped the capable crew bring to our ears recordings of our many special events. Bill Sadler, production manager, directed the students in working with local radio and television stations.

Peace Officer
ready for war

This man is a peace officer. His beat is the whole world, for he flies for TAC—the Tactical Air Forces of the U. S. Air Force.

Primary job of the Tactical Air Forces is to stamp out "brush fire" aggressions wherever they may occur. This is being accomplished by maintaining at combat readiness a completely self-contained striking force with a devastating nuclear punch, and a global reach.

Such a far-reaching assignment calls for versatility in men, equipment, techniques and weapons. Douglas is proud to have its planes included in the Tactical Air Command's inventory of fighters, bombers, transports and reconnaissance aircraft.

LONG-RANGE JET FOR TAC RECONNAISSANCE— DOUGLAS RB-66

Defense is everybody's business

The Douglas RB-66 can fly 600-700 mph but not without people to pilot and service it. The Air Force needs young men and women who agree that "defense is everybody's business."
